4th Year Milestone!

Initially focused on backing childhood cancer research, we've recognized the necessity to expand our support. Now we aim to both Helen Devos Children's Hospital and West Michigan families being impacted by severe and chronic childhood diseases in various impactful ways.. This support can come in the way of transportation and lodging for medical visits, direct relief from large medical bills, or any other financial burden related to a child's illness.

Brave the Shave is established to honor and support area families impacted by childhood disease. The Fund provides services and support to honoree families to help make a difference in their fight. The intention is to lessen families' burdens so they can focus on what's most important – their child's health.

SPLIT TEE TIMES

The 2024 Brave the Shave Golf outing features a shotgun start at 7:30am (limited to the 1st 22 teams), a 1:30pm shotgun start for remaining teams, lunch for all teams and volunteers, prizes during lunch (for morning golfers) and after the event (for evening golfers)

Brave the Shave is a 501(c)3 non-profit - ID #88-0585264
